IN THE COURT OF COMMON PLEAS OF MONTGOMERY COUNTY, PENNSYLVANIA
ORPHANS' COURT DIVISION

IN RE: ESTATE OF GERTRUDE WHITE, DECEASED	CASE NO: 1990-0826-05
	FORMAL CONTEST, OBJECTION AND LEGAL CHALLENGE TO ACCOUNTING

NOW COMES Marlo Beaman, an interested party and blood relative of the Decedent, by and through his legal counsel, to formally log a legal contest and severe objection to the First and Final Accounting, and the Petition for Adjudication submitted by the Administrator, Calvin White Jr., in this year of 2006.

BASIS FOR CHALLENGE: Objector asserts that the Administrator and certain named heirs have mismanaged, delayed, and compromised the assets of the deceased mother, Gertrude White, since her passing on March 20, 1990, to the severe detriment of the true beneficiary lineages.

COUNT I: MATERIAL MISMANAGEMENT VIA 15-YEAR ADMINISTRATIVE GAP
The Administrator failed to properly secure real and personal property belonging to the estate for over fifteen years. As highlighted in personal family archives now marked as *EXHIBIT B* (Correspondence dated March 18, 2006, from Administrator Calvin White Jr. to Beatrice Beaman), the family unilaterally withheld property from the probate system without formal tracking, legal bounds, or transparency, risking total asset devaluation.

COUNT II: FAILURE TO ACCOUNT FOR THE PASSING OF HEIRS
Due to gross negligence and purposeful administrative intermission, two designated primary beneficiaries—Veronica M. Dinkins (deceased April 29, 2003) and Dorothy Dinkins (deceased August 9, 2005)—passed away before receiving their lawful allocations. Objector demands a complete audit of how these funds are being routed, partitioned, or diverted into secondary family structures, specifically pointing to hostile friction and alienation of affection affecting out-of-state beneficiaries.

RELIEF SOUGHT: Objector requests that this honorable Court stay the execution of the Decree of Final Distribution, freeze all cash allocations totaling $225,600.00, order a mandatory forensic financial audit of the Willow Grove property liquidation records, and disqualify Calvin White Jr. as active fiduciary.

Respectfully Submitted,

/s/ Counsel for Objector
